24 NOV 1983

93 viktor vladimirov: "south korea is washington's trump card," citing shultz on need to strengthen south korean milit potentials to protect pacific region, saying u.s. considers south korea as important u.s. trump card in its geopolitical game and as u.s. stepping stone in far east as well as asia as whole. notes arming of south korean military forces with various milit equipment, incl f-16 jetfighters. cites pres reagan's recent promise to south korean president for steady milit supply, charging that transforming south korea into u.s. stepping stone for u.s. nuclear adventures will further worsen tension in far east and asia.

(8 min: indo 1330) *us*

94 anatoliy aleksandrov citing natara on closure of american oil company stanvac in indonesia, noting indonesian oil export is being dominated by foreign oil exporters, especially by u.s. monopolists led by caltex and standard oil, while state-owned Pertamina oil company only dominates five percent of total oil production in country, notes apprehension by many national ldrs over foreign capital expansion and urge govt to tighten control over activities of foreign capitalists since indonesia's open door policy adopted since 1967 has resulted in indonesia's economic dependence on capitalist countries. (6 min: indo 1230 1500)

95 ella zhukova on pressure being imposed on canberra by u.s. admin to make it give up policy of normalizing relations with vietnam and other countries of indo-china, noting cause of sharpening of differences was australia's refusal to act as co-author of res on so-called kampuchean issue, imposed on un by washington, pointing out washington has used crude methods in attempt to fulfill its global ambitions, as seen by grenada invasion, questions whether indo-china and asean will be next to receive such treatment.
